

BOURBON COCKTAIL GLASS

Designed with the Bluegrass State's master distillers, Libbey's Kentucky Bourbon Trail tasting glass was developed to bring out the best in high-end bourbon. And now, this popular glass is available in a larger size ideal for serving spirits on the rocks and bourbon-forward cocktails.

With a thick sham that fits comfortably in the hand, a wide, ice-cube sized bowl that increases alcohol evaporation, and a narrow neck and flared rim to draw up aromas, this bourbon cocktail glass allows drinkers to fully experience a bourbon's unique profile any way they choose.
