Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy Series standard height indoor table and chairs with wood seats! This set is made of durable steel and double coated to withstand years of use. The distressed black color adds a sleek, modern touch to any setting and is sure to be a contemporary design choice that guests love. Comfortable and stylish, this strong yet lightweight set is an excellent choice for your indoor dining area. To save you money on shipping costs, the table ships unassembled. All required assembly hardware is included so you can quickly set it up in its proper space and let your guests enjoy! To save time and hassle, the chairs ship assembled, while the seats ship detached from the chair.

The included walnut wood seats are constructed of sturdy wood and designed for indoor use to enhance your dining space. The seats conveniently screw onto the chairs, which is practical for indoor usage, but can still be removed to retain the outdoor versatility of the metal chair. Wood is a timeless, classy aesthetic, and it will impart an upscale look to your establishment. The included hardware makes installation straightforward. With clearly defined drill hole notches, you can have your new wooden seat ready in no time!

Ready to withstand daily use, this table set is constructed of durable steel. It's then e-coated and powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. The sturdy table base is reinforced with additional cross bracing, while the chair frames are reinforced with additional under-seat cross bracing. These features provide strength and stability without adding extra bulk or weight to this sleek design.

Each chair boasts a 400 lb. weight capacity. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, the chairs feature supportive backs and comfortable seats with raised, rounded lips for a sleek, minimalist look. Rounded arm rests are also included for added support. When the seats are removed, each of the chairs can even be stacked with up to six other Lancaster Table & Seating Alloy Series arm chairs to maximize storage space!

In addition to being stylish and durable, this lightweight table set is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. Plus, cleaning is as easy as wiping the surface with a damp cloth and all-purpose cleaner. No time will be wasted on seat cleaning measures as you can just wipe down the wood seat with a sanitized cloth or towel.

The table's 32" x 32" square surface is perfect for comfortably seating two to four guests while saving space. With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance table set features protective glides that help keep floor surfaces in pristine condition. While the included seating is stackable, this table cannot be stacked with other tables.
