Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Boomerang black finish bar stool with antique walnut wood seat and back. This bar stool's wooden Boomerang back and seat combine with its modern steel frame to instill a unique look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your commercial dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the black finish on this bar stool ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It also features an attractive antique walnut wood back that's contoured to provide extra support to your customers' upper backs. The antique walnut wood seat and back are easy to clean and maintain, and they offer style and convenience in any establishment!

The bar stool's built-in footrest gives customers a place to rest their legs. Each leg comes with an integrated glide to protect your floors from scuffing. To save you money, this bar stool ships with the seat and backrest detached, requiring light assembly by screwing in the seat and backrest to the frame. Its reliable and contemporary design ensures you'll be using this bar height chair in your pub or restaurant for years to come.
