# Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating black finish side bar stool with 2 1/2" black vinyl padded seat and mahogany wood back. This bar stool's stylish back and padded seat combine with its modern steel frame to instill a unique look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the black powder coating on this bar stool ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It features a style back with attractive slats and a cutout hole, which gives it a unique visual appeal. Plus, the bar stool's armless design is less restrictive and allows guests to socialize freely. The 2 1/2" thick black vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

The bar stool's built-in footrest gives customers a place to rest their legs. Its light weight construction makes it easy to rearrange for staff and customers. Each leg comes with an integrated glide to protect your floors from scuffing. To save you money, these bar stools are shipped with the seat detached. This bar stool requires light assembly by screwing in the seat to the frame with the four included screws.
