Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating pine green vinyl bar stool with swivel bucket seat. This bar stool's sleek padded seat combines with its contemporary steel frame to instill a modern look in any location. The 29" seat height is perfect for both bar and raised table seating, and the 18 1/2" wide bucket seat ensures that your guests can sit comfortably in your bar, club, or game room. Plus, the seat's wide, contoured back will provide comfort while maintaining a distinct appearance.

Thanks to the 18 gauge steel frame, this bar stool can hold up to 300 lb. of weight. Additionally, the black powder coating on this stool ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. The 3 1/2" thick pine green vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! Simply use a damp cloth with mild soap to remove any dirt or spills. It is made with fire-retardant foam for added safety.

This bar stool's swivel design allows guests to turn their seats to comfortably socialize and fully enjoy your venue. Plus, the built-in footrest gives customers a place to rest their legs. Each leg comes with an integrated glide to protect your floors from scuffing. To save you money, these bar stools are shipped with the seat detached and require light assembly.
