Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy Series white outdoor cafe barstool with tan fabric magnetic cushion! This stool is made of durable steel and double coated to withstand years of use. The white color adds a sleek, modern touch to any setting and is sure to be a contemporary design choice that guests love. Comfortable and stylish, this strong yet lightweight stool is an excellent choice for your indoor or outdoor dining area. To save you money on shipping costs, this barstool ships with the backrest and cushion detached from the stool. All required assembly hardware is included.

The included tan fabric magnetic cushion magnetically connects to the seat and can be easily secured and removed without the need for tools or instructions! Plus, it is water-resistant for use both indoors and outdoors. Adding a layer of foam between your guests and their seats will amplify their comfort, enticing them to stay longer and enjoy more. Aside from the comfort, this 1 1/4" thick cushion is made with CAL117 fire-retardant foam for added safety.

Ready to withstand daily outdoor use, this stool is constructed of durable steel. It's then e-coated and powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. The frame is reinforced with additional under-seat cross bracing to provide strength and stability without adding extra bulk or weight to this sleek design.

Boasting a 400 lb. weight capacity, this industrial barstool includes a footrest to reduce pressure on your customers' legs and lower backs. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, it features a supportive back and comfortable seat with a raised, rounded lip for a sleek, minimalist look. In addition to being stylish and durable, this lightweight stool is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer!

With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance stool features protective glides that help keep floor surfaces in pristine condition. Cushion cleanup is easy since the fabric exterior protects the foam from direct contact with spills and other natural elements. Simply remove the fabric cover and wash to remove blemishes. The cover is even machine washable!
