Notes & Details

This Lancaster Table & Seating 44" x 24" x 69" stainless steel bellman cart with rectangular gray carpet base and 8" pneumatic casters is the ultimate solution for luggage transportation! Designed for use in hotels, resorts, and other lodging facilities, this bellman cart provides a simple and effective means of transporting luggage and garment bags throughout the property. The stainless steel clothing rail provides ample space for hanging bags and coats, while the stain-proof, carpeted rectangular base provides ample space for bulky suitcases or duffel bags. The 1" plywood base underneath the carpeting has a reinforced steel undercarriage that provides excellent support and durability. This Lancaster Table & Seating cart is resilient and long-lasting!

This bellman cart features 8" pneumatic casters that allow for easy maneuverability in elevators and other tight spaces. This allows bellmen and other staff members to easily navigate the property, saving time and energy as they push. The black bumper protects walls and other obstructions from damage, keeping your property in excellent shape. This well-designed cart makes guest service effortless!
