Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy clear coat indoor backless barstool! This stool is made of durable steel to withstand years of use. The sleek clear coat adds a stylish touch to any setting and is sure to be a contemporary design choice that guests love. Comfortable and stylish, this strong yet lightweight stool is an excellent choice for your indoor dining area. To save time and hassle, this barstool ships fully assembled.

Ready to withstand daily indoor use, this stool is constructed of durable steel. It also has a clear coat for a shiny, industrial look. The frame is reinforced with additional under-seat cross bracing to provide strength and stability without adding extra bulk or weight to this sleek design. Boasting a 400 lb. weight capacity, this industrial barstool includes a footrest to reduce pressure on your customers' legs and lower backs. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, it features a comfortable seat with a raised, rounded lip for a sleek, minimalist look.

In addition to being stylish and durable, this lightweight stool is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. This stool can even be stacked with up to six other Lancaster Table & Seating Alloy backless barstools to maximize storage space! With a wide array of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance stool features protective glides that help keep floor surfaces in pristine condition. Plus, the drain hole ensures that water won't pool on the seat, helping it to dry faster after washing or accidental spills.
