Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating black finish cross back bar stool with 2 1/2" dark gray vinyl padded seat. This bar stool's sleek padded seat combines with its contemporary cross back steel frame to instill a modern look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the metal frame and supports under the seat. Additionally, the black powder coating on this bar stool ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. It also features a cross back design that gives it a unique visual appeal, making it perfect for either upscale or casual decor. The 2 1/2" thick dark gray vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

This convenient bar stool weighs just 17 lb., which makes it easy for staff and customers to set up and move these seats. Each leg has a glide on the bottom to protect floors from becoming scuffed when the bar stools are moved. To save you money, these bar stools are shipped with the seat detached. This bar stool requires light assembly by screwing in the seat to the frame with the four included screws.
