Notes & Details

Add a modern twist to your restaurant with this Lancaster Table & Seating mid-century black barstool with black vinyl padded seat and backrest. This barstool features a stylish mid-century design that adds a modern look to any establishment. Its curved rectangular back cradles the spine while the built-in 11" high footrest provides excellent leg support. Its versatile padded vinyl seat and backrest are easy to clean and offer superior comfort for your guests.

Boasting a durable steel frame, this barstool is built to withstand daily use and can hold up to 300 lb. To protect your floors and keep unwanted noise to a minimum, this barstool includes plastic glides on the feet. To save you money, this bar stool is shipped with the seat and backrest detached. This bar stool requires light assembly by screwing in the seat and backrest to the frame. Complete your restaurant or bar's themed look with this Lancaster Table & Seating barstool.
