Notes & Details

This Lancaster Table & Seating natural finish wood school house bar stool is the perfect way to complement the quaint charm of your restaurant. This bar stool's slat back combines with its sleek wooden frame to instill a classic look in any location. Plus, since this bar stool's back and seat are contoured, it will provide comfort while maintaining a distinct appearance. At an ideal height for both bar and raised table seating, this bar stool is a versatile option for any restaurant, bar, deli, or coffee shop.

This bar stool's European beechwood frame provides unmatched durability in your dining room. It can hold up to 350 lb. of weight thanks to the sturdy frame and support bars on each side of the seat. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. Additionally, the smooth surface on this bar stool provides a natural wood feel, while the natural finish offers the ultimate in style.

This bar stool boasts a vintage school house design with a wide frame and square silhouette. This style lends an old-school appeal to your dining room that's sure to invoke nostalgia and charm your patrons. This bar stool also features a slat back that's contoured to provide extra support to your customers' upper backs. The wood seat, back, and legs are easy to clean and maintain, and they offer style and convenience in any establishment! Simply use a damp cloth with mild soap to remove any dirt or spills.

The gold-plated footrest gives customers a place to rest their feet and helps keep the frame from getting scratched. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this bar stool is shipped fully assembled with the seat already attached.
