Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Spartan Series metal ladder back bar stool with mahogany wood grain finish and 2 1/2" green vinyl padded seat. This bar stool's sleek padded seat and stylish wood grain finish combine with its modern metal frame to instill a unique look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

The Spartan Series represents the last bar stool you'll ever need to buy. Named for their toughness and indestructibility, Spartan Series bar stools are guaranteed to withstand years of high-volume use. This bar stool's sturdy metal frame provides unmatched durability in your dining room. It can hold up to 500 lb. of weight thanks to the metal frame, reinforced joints, and supports under the seat.

Additionally, the mahogany wood grain finish on this bar stool ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It also features a ladder back design that's contoured to provide extra support to your customers' upper backs. Plus, this design gives it a unique visual appeal, making it perfect for both upscale and casual decor, as well as anything in between. The 2 1/2" thick green vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

This bar stool's built-in footrest gives customers a place to rest their feet, while a gold-plated, protective heel bar helps keep the frame from getting scratched. Each leg has a glide on the bottom to protect floors from becoming scuffed when the bar stools are moved. To save you money, these bar stools are shipped with the seat detached. This bar stool requires light assembly by screwing in the seat to the frame with the five included screws.
