Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Boomerang Series clear coat finish chair with 2 1/2" taupe vinyl padded seat and vintage wood back. This chair's wooden Boomerang back and padded seat combine with its modern steel frame to instill a unique look in any location. Plus, since this chair's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This chair's sturdy steel frame provides unmatched durability in your commercial dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the clear coat finish on this chair ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It also features a Boomerang back that's contoured to provide extra support to your customers' upper backs. The 2 1/2" thick taupe vinyl padded seat brings exceptional comfort and durability while remaining easy to clean. It is made with fire-retardant foam for ultimate safety!

This chair weighs less than 13 lb., making it easy for guests to get in and out and for your staff to rearrange when necessary. Each leg comes with an integrated glide to protect your floors from scuffing. To save you time and hassle, this chair ships fully assembled with the seat cushion attached. Its reliable and contemporary design ensures you'll be using this dining height chair in your restaurant, bar, or cafe for years to come.
