Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating black finish bistro chair with natural wood seat and back. This chair's stylish back and wood seat combine with its modern steel frame to instill a unique look in any location. Plus, since this chair's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This chair's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the black powder coating on this chair ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It features a bistro style back with attractive slats and a cutout hole, which gives it a unique visual appeal. Plus, the chair's armless design is less restrictive and allows guests to socialize freely. The natural wood seat and back are easy to clean and maintain, and they offer style and convenience in any establishment!

This convenient chair weighs just 14 lb., which makes it easy to rearrange for staff and customers. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this chair is shipped fully assembled with the seat already attached.
