Notes & Details

Add a classic touch to your dining area with this Lancaster Table & Seating mahogany finish cafe chair. This chair's rich mahogany finish and decorative back make it a beautiful addition to your dining room. Versatile and stylish, this chair is sure to complement any decor, making it an excellent option for your bistro, coffee shop, cafe, or restaurant. Plus, since this chair's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This chair's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the powder coating on this chair ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It also features a contoured back with minimalist cutout holes across the top, which give it a unique visual appeal. The mahogany wood seat and back are easy to clean and maintain, and they offer style and convenience in any establishment!

Each leg comes with an integrated glide to protect your floors from scuffing. At just under 11 lb., this chair's light weight construction makes it easy to rearrange for staff and customers. To save you money, these chairs are shipped with the seat detached.
