Notes & Details

Enhance comfort and convenience in your worship center, auditorium, or waiting room with the Lancaster Table & Seating silver vein church chair. Crafted with a sturdy 16 gauge steel frame, this chair ensures durability and long-lasting use in high-traffic areas. The soft brown fabric provides a comfortable seating experience for extended periods, making it ideal for congregational gatherings or lengthy events. Plus, the built-in storage pocket offers a convenient place to store hymnals, pamphlets, or other materials, keeping your space organized and clutter-free.

The stackable design of this chair allows for easy storage and efficient transport, making it a versatile seating solution for various events and venues. Equipped with glides and bumpers, this chair is suitable for hard floors, protecting your flooring from scratches and scuffs. This chair can also accept a compatible book rack for extra storage (sold separately). Elevate the seating experience for your guests with this stylish and functional church chair from Lancaster Table & Seating.
