Notes & Details

This Lancaster Table & Seating natural finish wood school house chair is the perfect way to complement the quaint charm of your restaurant. This chair's slat back combines with its sleek wooden frame to instill a classic look in any location. Plus, since this chair's back and seat are contoured, it will provide comfort while maintaining a distinct appearance. Stylish and durable, this chair is a versatile option for any restaurant, bar, deli, or coffee shop.

This chair's European beechwood frame provides unmatched durability in your dining room. It can hold up to 350 lb. of weight thanks to the sturdy frame and support bars on each side of the seat. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. Additionally, the smooth surface on this chair provides a natural wood feel, while the natural finish offers the ultimate in style.

This chair boasts a vintage school house design with a wide frame and square silhouette. This style lends an old-school appeal to your dining room that's sure to invoke nostalgia and charm your patrons. This chair also features a slat back that's contoured to provide extra support to your customers' upper backs. The wood seat, back, and legs are easy to clean and maintain, and they offer style and convenience in any establishment! Simply use a damp cloth with mild soap to remove any dirt or spills.

Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this chair is shipped fully assembled with the seat already attached.
