Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating vintage finish wood ladder back chair with vintage wood seat. This chair's stylish back combines with its sleek wooden frame to instill a unique look in any location. Plus, since this chair's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This chair's sturdy European beechwood frame provides unmatched durability and an impressive 350 lb. weight capacity. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. Additionally, the smooth surface on this chair provides a natural wood feel, while the vintage finish offers the ultimate in style. Its reliable design ensures you'll be using this chair in your pub or restaurant for years to come!

This chair also features a ladder back design that's contoured to provide extra support to your customers' upper backs. Plus, this design gives it a unique visual appeal, making it perfect for both upscale and casual decor, as well as anything in between. The durable vintage wood seat is easy to clean and maintain, and it offers style and convenience in any establishment!

This chair's light weight construction makes it easy to rearrange for staff and customers. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this chair is shipped fully assembled with the seat already attached.
