Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating mahogany finish wood window back chair with mahogany wood seat. This chair's sleek seat and stylish mahogany finish combine with its attractive wooden frame to instill a unique look in any location. Plus, since this chair's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This chair's European beechwood frame provides unmatched durability in your dining room. It can hold up to 350 lb. of weight thanks to the sturdy frame and supports under the seat. Beechwood stands up better to daily use and is able to better resist gouging and chipping compared to other types of wood. Additionally, the smooth surface on this chair provides a natural wood feel, while the elegant mahogany finish offers the ultimate in style.

This chair also features a window back design that's contoured to provide extra support to your customers' upper backs. Plus, this design gives it a unique visual appeal, making it perfect for both upscale and casual decor, as well as anything in between. The durable mahogany wood seat is easy to clean and maintain, and it offers style and convenience in any establishment!

This chair's light weight construction makes it easy to rearrange for staff and customers. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this chair is shipped fully assembled with the seat already attached.
