Notes & Details

Add a unique, modern appeal to your dining area with this Lancaster Table & Seating Excalibur standard height table with 4 cafe chairs! This set includes a rectangular table top with a textured walnut finish that offers the rustic look of solid wood with a subtle, intriguing texture. It boasts an eco-friendly, quality laminate construction fashioned from compression-molded wood to provide a dependable yet distinct aesthetic. Plus, the table top's UV- and weather-resistant design is built to withstand the elements, making it the perfect indoor or outdoor option that your guests can rely on. To save you money on shipping costs, the table ships unassembled with mounting plates included while the chairs ship fully assembled. All required assembly hardware is included so you can quickly set up this dining set in its proper space and let your guests enjoy!

This set's impressive table top has superior scratch, impact, break, and burn resistance for increased longevity. It requires minimum maintenance to boost the efficiency of your cleaning process and to encourage a quicker turnover rate. The included end column table bases elevate the table to standard height and ensure that the table stays steady and balanced while guests enjoy your signature drinks and dishes. Made of strong stamped steel with a sleek and resilient black e-coating, the bases are well equipped to weather the elements and resist corrosion. Blending into any environment to enhance your dining space, these table bases and columns are sure to provide reliable long-lasting use at both indoor and outdoor eateries. Plus, pre-drilled holes allow for the use of floor glides to protect your flooring from scuffs and scratches!

Ready to withstand daily outdoor use, the 4 Alloy Series black outdoor cafe chairs are constructed of durable steel and are e-coated and powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. The frames are reinforced with additional under-seat cross bracing to provide strength and stability without adding extra bulk or weight to this sleek design. These low-maintenance chairs feature protective glides that help keep floor surfaces in pristine condition. Each chair boasts a 400 lb. weight capacity.

To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, each chair features a supportive back and comfortable seat with a raised, rounded lip for a sleek, minimalist look. Plus, the drain hole ensures that water won't pool on the seat, helping it to dry faster after washing or accidental spills. The black color adds a sleek, modern touch to any setting and is sure to be a contemporary design choice that guests love. With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment.

In addition to being stylish and durable, this light weight set is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer! Your guests will appreciate the opportunity to enjoy the temperate weather with the convenience and comfort of this dining set! Each of the chairs can be stacked with up to six other Lancaster Table & Seating Alloy Series outdoor cafe chairs to maximize storage space!
