## Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy Series 24" x 24" amber-orange standard-height outdoor table! This table is made of durable steel and coated to withstand years of use. The vibrant amber-orange color adds a fun, colorful touch to any setting and is sure to be a contemporary design choice that guests love. Comfortable and stylish, this strong yet lightweight standard-height table is an excellent choice for your indoor or outdoor dining area. To save you money on shipping costs, this table ships unassembled. All required assembly hardware is included so you can quickly set it up in its proper space and let your guests enjoy!

Ready to withstand daily outdoor use, this table is constructed of durable steel. It's then powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. This table has a sturdy base to provide strength and stability without adding extra bulk or weight to the sleek design.

In addition to being stylish and durable, this lightweight table is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer! Plus, cleaning is as easy as wiping the surface with a damp cloth and all-purpose cleaner.

Its 24" x 24" square surface is perfect for comfortably seating two guests while saving space on your patio. With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance table features protective glides that help keep floor surfaces in pristine condition.
