Notes & Details

Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy 30" round distressed onyx-black standard-height outdoor table! Ready to withstand daily outdoor use, this table is constructed of durable steel. It is powder coated for rust and corrosion resistance as well as extra protection against everyday wear and tear. The distressed onyx-black color adds a sleek, modern touch to any setting. Comfortable and stylish, this standard-height table is an excellent choice for your indoor or outdoor dining area. To save you money on shipping costs, this table ships unassembled. All required assembly hardware is included so you can quickly set it up in its proper space and let your guests enjoy!

This table has a sturdy base to provide strength and stability without adding extra bulk or weight to the sleek design. In addition to being stylish and durable, this light weight table is easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer! Plus, cleaning is as easy as wiping the surface with a damp cloth and all-purpose cleaner.

Its 30" surface is perfect for comfortably seating three to four guests while saving space on your patio. With a wide variety of color options to choose from, you'll be able to mix and match to create a vibrant seating arrangement in your establishment. This low-maintenance table features protective glides that help keep floor surfaces in pristine condition.

 **WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm.
