Notes & Details

Effortlessly transport stackable chairs throughout your restaurant, bar, banquet, or catered event with this Lancaster Table & Seating stackable chair dolly. This dolly is designed to support up to ten metal or plastic Lancaster Table & Seating stacking banquet chairs. Altogether, this dolly is able to carry up to 250 lb. It's made of durable 17 gauge stainless steel to ensure that it has the strength to carry even your heaviest metal chairs and will stand up to rigorous everyday use.

This dolly features a black powder coated finish that allows it to have longevity in your establishment. It also comes with four 2" casters made of soft rubber that are able to roll across any surface, including carpet. This dolly ships assembled so that it's conveniently ready for use. Transporting your seats is an easy task with this dolly, so be sure to have it nearby for your crowded dining room or popular event!
