Notes & Details

Effortlessly transport folding chairs and tables throughout your restaurant, bar, banquet, or catered event with this Lancaster Table & Seating folding chair and table dolly. This dolly is designed to support up to 42 metal or plastic Lancaster Table & Seating folding chairs and up to 10 rectangular folding tables. Tables must be at least 67" long to work with this dolly. Altogether, this dolly is able to carry up to 500 lb. It's made of durable 14 gauge stainless steel to ensure that it has the strength to carry even your heaviest items and will stand up to rigorous everyday use.

This dolly features a black powder coated finish that allows it to have longevity in your establishment. It also comes with four 4" casters made of soft rubber that are able to roll across any surface, including carpet. This dolly ships knocked down to provide you with shipping savings. Transporting your tables and chairs is an easy task with this dolly, so be sure to have it nearby for your crowded dining room or popular event!
