- **Compatible with Lancaster Table & Seating industrial trestle table bases**
- **Adjustable design helps to level bases on uneven floors**
- **Includes 4 glides**
- **Protects floors from scuffs and scratches**

Ensure the integrity of your industrial table with these Lancaster Table & Seating floor glides. These glides are the perfect replacement for the ones that came with your Lancaster Table & Seating industrial trestle table base (sold separately). This set includes 4 adjustable glides to help level bases on uneven floors. These glides also help protect your floors from scuffs and scratches. For your convenience, this hardware is easy to install!
