Notes & Details

Ensure long-lasting comfort and durability by seating guests in this Lancaster Table & Seating 30" black metal bar stool. Sturdy and stylish, this bar stool is the perfect solution for your pub, taphouse, or tavern. Its 30" height allows patrons to comfortably sip on drinks while sitting at your bar, while the sleek black color adds a contemporary touch to any setting. To save time and hassle, this stool ships fully assembled. Whether you're opening up your first tavern or looking to replace the old seating options in your restaurant, this bar stool has you covered!

This bar stool's rugged metal construction combines with its attractive black finish to instantly upgrade the look and feel of your establishment. It can hold up to 330 lb. of weight thanks to the sturdy steel frame. Equipped with reliable, high-quality welding points, it is sure to stand up to long-term use in your establishment. In addition to being durable, this bar stool is exceptionally easy to clean. Simply use a damp cloth with mild soap to keep your bar stool in pristine condition.

A series of rungs below the seat offer increased stability and provide varying levels of footrests for added comfort. Each leg comes with an integrated glide to protect your floors from scuffing. This convenient stool weighs around 14 lb., which makes it easy to rearrange for staff and customers.
