This chair's light weight ashwood frame provides unmatched durability in your dining room. It can hold up to 300 lb. of weight thanks to the sturdy frame. This chair also features a cross back that's contoured to provide extra support to your customers' upper backs. Each leg boasts a floor glide to protect floors from scratches and scuffs while offering improved traction on slick surfaces and damage protection to the chair feet. At the end of the night or conclusion of your event, its light weight, stackable design allows for easy moveability, compact storage, and efficient transportation. The wood seat, back, and legs are easy to clean and maintain, and they offer style and convenience in any establishment! Simply use a damp cloth with mild soap to remove any dirt or spills. The included cushion features a 1" thick polyurethane sponge interior to ensure that all guests are seated comfortably at any event. The elegant black color enhances your event's decor, complementing the chair's appearance. At the same time, the linen cover can be machine washed for convenience, and the entire cushion can be used in indoor or outdoor seating applications. A zippered back allows the padding to be removed for machine washing of the cover, ensuring easy removal of stains, spots, and dirt.
