Notes & Details

Enjoy the outdoors under the pleasant shade of this Lancaster Table & Seating 6' pacific blue push lift umbrella with 1 1/4" steel pole! This umbrella's 6' span is perfect for shading a small group of people from the sun. Its reliable design is perfect for beach or other outdoor settings, and its push lift mechanism makes it easy to open during the day and close it after hours or during inclement weather.

A polyester canopy with a single air vent will protect you from the sun while keeping the umbrella upright and allowing air to flow properly. This umbrella's steel ribs feature a powder-coated finish, and its steel pole allows it to be durable enough to withstand consistent use. Since it's easy to maneuver, you can conveniently relocate it to anywhere you need shade, making it a versatile choice for a variety of outdoor layouts. Plus, its pacific blue color is sure to add a bright, festive touch to any space, making it perfect for parties, picnics, or other catering events. Reach for this Lancaster Table & Seating umbrella to enhance your outdoor space and keep guests happy and comfortable.
