## Notes & Details

This Lancaster Table & Seating assembled standard height gray plastic restaurant high chair with tray is the perfect addition to your family-friendly restaurant! Made of durable polypropylene plastic, this high chair is sturdy, durable, and built to last. Its surface is easy to wipe down after each use, making it easy to keep clean and sanitary for your next guest.

This high chair has a classic design, complete with a seat belt in order to safely and comfortably accommodate children during a dining experience. Thanks to its easy grip handle, this high chair is a breeze to move around your establishment. Whether you're moving it to a table during the lunch rush or storing it away at the end of the night, this high chair can be moved without any hassle.

This chair features its own tray with a cup holder, so children can have their meal placed directly in front of them so they don't have to reach onto the dining table, making this high chair an ideal choice for multiple dining environments. From fast-food and casual dining to family diners and cafeterias, your guests will have peace of mind knowing their child is safe. This high chair can be used both indoors and outdoors, but it should be stored indoors when not in use. The tray easily snaps on and off for quick cleaning, and when the tray is not attached, this chair is stackable for space-efficient storage.
