## Notes & Details

This Lancaster Table & Seating 24" round reversible white / gray slate laminated table top provides your establishment with a versatile look. With this table top, you can easily provide guests in your cafeteria, deli, or pizza parlor, deli, or restaurant with a stable place to eat their meals. Thanks to the reversible white and gray slate tops, you don't have to worry about it clashing with the color scheme or decor of your business. You can simply choose between the two sides for the ideal look in your establishment.

Additionally, this table top is made from durable laminate materials that are sure to stand up to long-term use in your restaurant or deli. Plus, this material makes the table top incredibly easy to clean. The charcoal vinyl molding on this product prevents your table from any unattractive chipping and scuffing, keeping your table looking great through general wear and tear.
