Notes & Details

This Lancaster Table & Seating 24" round reversible birch / ash laminated bar height table with a cross cast iron base gives your establishment a modern look and provides your guests a stable place to comfortably enjoy their drinks and food! The table top is made from durable laminate materials that are perfect for high traffic bars and with vinyl molding that prevents unattractive chipping and scuffing. Plus, the whole table top is easy to clean! The reversible birch and ash top is versatile, sturdy, and gives you the choice of two-color schemes to best suit the look of your business. Select the ash side or the birch side by simply flipping the table top.

Additionally, your table will stay stable thanks to the bar height table base column and cross cast iron base plate. Both feature a black, powder-coated finish which promotes a professional look that matches any table top and is easily installed to ensure your tables are steady for your guests.
