### Notes & Details

This Lancaster Table & Seating grey fabric folding chair with 2" padded seat is a great addition to any catered event! It is made of strong and durable 18 gauge steel ensuring that its attractive, professional appearance will last throughout years of service. The back and seat have soft, fabric upholstery to allow for optimum comfort. Its 2" thick foam padded seat adds comfortability to the chair.

This chair's fabric is grey while the frame is black colored to give it an attractive look. Thanks to its construction, this chair can be used both indoors and outdoors. It is versatile enough for both casual and formal events, making it an economical choice for any business. Each foot features a non-marring floor glide to protect floors from scratches and scuffs. After your event is over, this lightweight chair folds up for easy transportation and compact storage. Make setting up and tearing down parties and banquets simpler than ever with this folding chair!
