Notes & Details

Provide your guests with a comfortable place to sit with this Lancaster Table & Seating 30" x 71" rectangular white plastic folding picnic table with attached benches! Made specifically to withstand aggressive handling and constant use in institutional and commercial settings, this picnic table is the perfect, long-lasting addition to any facility. The table and two benches are constructed of lightweight, high-density polyethylene for outdoor use. Plus, the support rails are able to be quickly and easily removed to fold down the table and benches for convenient storage!

This table's frame is made of strong powder-coated steel to combat rusting. It's weather-, water-, stain-, peel-, chip- and crack-resistant, guaranteeing it maintains its professional appearance even with heavy-duty use. This table's lightweight yet tough construction is even more durable than wood! Invest in a table that's built to last with this picnic table.

Overall Dimensions (Fully Assembled):
