Notes & Details

This Lancaster Table & Seating 18" x 96" granite white heavy-duty blow-molded plastic folding table is a great addition to offices, conference rooms, lecture halls, and catered events! Its high-impact, blow-molded polyethylene top won't crack, chip, or peel, guaranteeing years of service. Not only is it easy to clean, but it is also stronger and lighter than comparable wooden folding tables, ensuring long-lasting use and quick, effortless transportation.

Thanks to its durable construction, this table can be used both indoors and outdoors. It is versatile enough for both casual and formal settings, making it an economical choice for restaurants, professional event coordinators, or catering businesses. Its heavy-duty powder-coated steel frame is built to support up to 300 lb., ensuring it can reliably hold a range of items, including chafing dishes, tiered displays, laptops, backpacks, briefcases, and large stacks of paperwork.

Plus, each foot boasts a rubber cap to protect floors from scratches and scuffs while offering improved traction on slick surfaces. After your banquet, conference, lesson, or meeting is over, the folding legs bend at multiple joints to allow for compact storage and easy transport. Whether you're using it to complete buffet lines or provide a place for staff and students to sit, learn, and work, this versatile Lancaster Table & Seating folding table is sure to be an excellent investment!
