Notes & Details

Allow your guests to enjoy the breezy summer weather with this Lancaster Table & Seating silver powder coated aluminum outdoor barstool. Designed specifically for outdoor use, this barstool makes an excellent addition to restaurant and bar patios and other outdoor entertainment areas such as banquets and luaus. It's also lightweight so that you can easily move it around your outdoor setting for the best possible view. Your guests will love the opportunity to enjoy the temperate weather with the convenience and comfort of this stool!

This barstool is made of powder-coated aluminum that's durable enough to resist weather and corrosion. Its smooth surface features a shiny silver color that's sure to match any decor and complement the natural glow of the sun! Thanks to its UV-resistant finish, the color won't fade over time even when left in the sun for longer periods. For your convenience, this stool has a weight capacity of up to 300 lb. It is also stackable for easy storage. Place it on your patio and let your guests enjoy!
