Add functionality and pizzazz to your patio or other outdoor seating area with this Lancaster Table & Seating Harbor gray 36" square outdoor standard height table with ornate legs. This table is constructed of durable stainless steel with a gray powder-coated finish that makes it resistant to inclement weather conditions, so you can keep it outdoors year-round without worry. The mesh tabletop design allows liquid to slip through so that it doesn't make a mess, giving it useful protection against spills and rain.

The stylish leg design of this table allows it to stand proudly in your establishment while adding an ornate touch to your outdoor dining area. Plus, the lightweight design allows you to easily move the table wherever it's needed most! The tabletop features a 2" umbrella hole, so you can attach an umbrella (sold separately) to enhance your venue's style and keep your guests comfortable on sunny days. Designed specifically for outdoor use, this table makes an excellent addition to restaurants, bar patios, and other outdoor entertainment areas such as banquets and luaus. To save you money on shipping costs, this table ships unassembled!
