Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Allegro beige stackable resin side chair. Its polypropylene construction makes it an incredibly durable, long-lasting addition to any establishment. Plus, this chair boasts a seamless design, and its matte finish material is easy to clean and maintain. This chair's curved design keeps guests comfortable, while slats in the backrest add breathability and flexibility.

You can use this chair indoors or outdoors at your establishment. This chair stacks up to 9 pieces to save storage space in your facility, and thanks to its lightweight material, you can easily move it to wherever you need it. Your guests will love the opportunity to enjoy the temperate weather with the convenience and comfort of this chair! This chair has a weight capacity of up to 300 lb. Add this versatile, modern chair to your dining area or patio to create the ideal inviting environment for your guests.
