Notes & Details

Allow your guests to enjoy the breezy summer weather with this Lancaster Table & Seating 27 1/2" chrome round outdoor standard height table. Designed specifically for outdoor patios and dining areas, this table is a perfect seating solution for restaurant and bar patios and other outdoor entertainment areas such as banquets and luaus. It's lightweight with a pedestal base so that you can easily move it around your outdoor setting for the best possible view. Your guests will love the opportunity to enjoy the temperate weather with the convenience and comfort of this table!

This table has an aluminum base and steel top. Both the base and top are powder coated to resist rust and corrosion caused by moisture and inclement weather. Its textured surface features a neutral chrome color that's sure to match any decor and complement the natural tones of the outdoors! This table ships unassembled to save you money on shipping costs. For your convenience, it is easy to assemble so you can quickly set it up in its proper space and let your guests enjoy. This table is easy to clean and sure to withstand the elements associated with outdoor use!
