Notes & Details

Enhance the appeal of your dining area and provide your guests with a reliable surface to gather around with this Lancaster Table & Seating Excalibur table top! This round table top has a smooth letizia finish that offers the classic look of marble at a fraction of the cost. It boasts an eco-friendly, quality laminate construction fashioned from compression-molded wood to provide a dependable yet distinct aesthetic. Plus, the UV- and weather-resistant design is built to withstand the elements, making it the perfect indoor or outdoor option that your guests can rely on. This table top can be used with compatible Lancaster Table & Seating Excalibur table bases (sold separately). A screw length of 3/4" is recommended for installation (hardware sold separately).

This impressive table top has superior scratch and burn resistance for increased longevity. It requires minimum maintenance to boost the efficiency of your cleaning process and to encourage a quicker turnover rate. In addition to being stylish and durable, this light weight table top is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer! Whether you're looking to revamp your restaurant's front-of-house space or enhance the appearance of your cafe patio or deck, this table top will spotlight the beauty of nature while focusing on an elegant dining experience in order to bring you the best of both worlds!
