Notes & Details

Add functionality and pizzazz to your patio or other outdoor seating area with the Lancaster Table & Seating Harbor gray 36" round outdoor standard height table with modern legs and 4 arm chairs! This set includes a table and four arm chairs. Each piece is constructed of durable stainless steel and features a gray powder-coated finish that makes it resistant to inclement weather conditions, so you can keep this set outdoors year-round without worry. The mesh design of the entire set allows liquid to slip through without making a mess, providing useful protection against spills and rain.

The stylish leg design of the table allows it to stand proudly in your establishment while adding a contemporary touch to your outdoor dining area. The tabletop features a 2" umbrella hole, so you can attach an umbrella (sold separately) to enhance your venue's style and keep your guests comfortable on sunny days. Designed specifically for outdoor use, this table makes an excellent addition to restaurants, bar patios, and other outdoor entertainment areas such as banquets and luaus. Plus, the lightweight design allows you to easily move the table and chairs wherever they're needed most! To save you money on shipping costs, the table ships unassembled. This table is not stackable.

The included gray arm chairs pair perfectly with the table. The full back of each chair provides superior comfort, while the integrated, ergonomic armrests provide stability and make it easy for guests to slide the chair in and out at their table. The arm chair's simplistic style and rounded shape add a distinct visual appeal to your establishment. Boasting an ample 300 lb. weight capacity each, these strong, stylish chairs provide guests with a way to comfortably enjoy your signature drinks, appetizers, entrees, and desserts! The plastic glides protect floors from scuff marks and slide smoothly, helping to keep loud, unwanted noise to a minimum. With the stackable chair design, you can stack up to 6 chairs for easy, space-saving storage. To save you time and hassle, these chairs ship fully assembled!
