Steel Round Umbrella - 6'

Notes & Details

Enjoy the outdoors under the pleasant shade of this Lancaster Table & Seating 6' coal black push lift steel umbrella! This umbrella's 6' span is perfect for shading a table from the sun. Expand your outdoor seating with ease and ensure your guests are comfortable and protected thanks to its reliable design. Its easy-to-use push lift mechanism makes it easy to open during the day, close after hours or during inclement weather, and store in the off-season!

A single vent in this breathable canopy allows air flow to increase stability. The fabric is fade-resistant and has UV50+ sun protection to last for 1-2 years. It's made of water-resistant 230 GSM, solution-dyed polyester fabric. This umbrella also repels dirt and is easy to clean. Plus, its black color is sure to add a classic look to any space, making it perfect for parties, picnics, or other catering events.

This umbrella's black powder-coated steel frame is built to withstand consistent use in your establishment. Since it's easy to maneuver, you can conveniently relocate it to anywhere you need shade, making it a versatile choice for a variety of outdoor layouts. The included ties keeps the umbrella closed for easy storage. Its 1 1/2" pole diameter makes it compatible with select umbrella bases (sold separately), and you can prolong the life of your canopy with a compatible umbrella cover (sold separately). Reach for this Lancaster Table & Seating umbrella to enhance your outdoor space and keep guests happy and comfortable.
