## Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 12 gallon black perforated powder-coated metal half round decorative waste receptacle. Made of durable perforated powder-coated metal, this unit is built to last. The space saving half round design fits tightly against walls, while the upscale appearance of the perforated powder-coated metal blends well with any environment. With a sleek black finish, it's sure to look great in any indoor setting.

This unit's covered top helps to contain and conceal the trash inside and it includes a large opening for easy waste disposal. Keeping the inside of the receptacle clean is easy. Furthermore, each can includes a bag holder to make for easy bag changes and ensure your liner stays in place during use. Its 12 gallon capacity makes it a great option for any office, lobby, or retail store.
