Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 16 gallon perforated stainless steel square decorative waste receptacle. Made of durable perforated steel, this unit is built to last. The square design fits nicely into corners, while the upscale appearance of the perforated steel blends well with any environment. With a classic stainless steel finish, it's sure to look great in any indoor setting.

This unit's covered lid helps to contain and conceal the trash inside and it includes a large opening for easy waste disposal. Keeping the inside of the receptacle clean is easy. Furthermore, each can includes a bag holder to make for easy bag changes and ensure your liner stays in place during use. Its 16 gallon capacity makes it a great option for any office, lobby, or small retail store.
