Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 40 gallon black perforated powder-coated metal square decorative waste receptacle. Made of durable powder-coated metal, this unit is built to last. The square design fits nicely into corners and other small spaces, and blends well with any environment. The perforated powder-coated metal looks great and enhances airflow through the receptacle. Plus, with a sleek black finish, it's sure to look great in any indoor setting.

This unit's covered top helps to contain and conceal the trash inside and it includes a large opening for easy waste disposal. Keeping the inside of the receptacle clean is easy. Furthermore, each can includes a bag holder to make for easy bag changes and ensure your liner stays in place during use. Its 40 gallon capacity makes it a great option for large offices, shopping centers, or schools.
