## Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 8 gallon blue powder-coated metal half round decorative receptacle with mixed recycle lid. Made of durable powder-coated metal, this unit is built to last. The space saving half round design fits into small spaces and blends well with any environment. With a bright blue finish, guests know where to dispose of their recyclables.

This unit includes a large mixed recyclables opening that helps guests determine which types of recyclables belong in the receptacle. Keeping the inside of the receptacle clean is easy. Furthermore, each can includes a bag holder to make for easy bag changes and ensure your liner stays in place during use. Its 8 gallon capacity makes it a great option for any office, lobby, or small retail store.
