Notes & Details

Anchor your outdoor trash can securely with the Lancaster Table & Seating in-ground mounting kit for perforated steel outdoor cans. This kit includes all the necessary hardware, including a mounting pole, (4) 8 mm x 20 mm hex head bolts, 8 flat washers, and (4) size 8 hex nuts, for a quick and easy installation process. By anchoring your trash can to the ground, you can provide extra protection against theft and ensure that your trash can will withstand extreme weather conditions without tipping over.

Creating a permanent fixture with this in-ground mounting kit gives you peace of mind knowing that your outdoor trash can will remain in place, even in high-traffic areas. This mounting kit is designed to pair perfectly with compatible LT&S steel outdoor trash cans (sold separately), making it a convenient and essential accessory for businesses, parks, and other outdoor spaces. Ensure the safety and security of your outdoor trash can with the durable and reliable Lancaster Table & Seating in-ground mounting kit.
