SEE THE BENEFITS

of the 12-Gallon Carpet Extractor

Warranty: Lifetime warranty on body, 2-years on vacuum motors, 1-year on 500 PSI pumps, 2-years on 100 PSI pump, 1-year on all electrical components and 90-days on tools and accessories.

- Powerful vacuum motors offer up to 160" water lift for dual 2-stage and 200" for dual 3-stage for efficient solution recovery that results in better extraction and faster carpet drying.
- High performance motors stay cool with an innovative air intake design that uses the vacuum's own cooling fans to pull cool, outside air over the motors, reducing motor temperature and preventing overheating.
- Heated units include an in-line heater that lets you extract with 150°F solution!
- 12-gallon solution and recovery tanks allow for quick and easy fill and dump disposal, reducing downtime.
- Waist-high controls prevent bending and stooping to operate the machine. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- 10" non-skid, non-marking wheels make stair climbing easy and do not scuff floors.
- Roto-molded polyethylene tanks withstand the toughest working environments and resist dents, chips and cracks.
- The carpet extractor boasts powerful extraction capabilities, effectively removing deep-set dirt and stains to ensure thorough cleaning results.
- With adjustable water pressure settings, the extractor allows for optimal cleaning on various carpet types while enhancing overall results.
- Its user-friendly design, featuring intuitive controls and a compact build, makes the machine easy to operate and maneuver.
- The carpet extractor offers quick drying times, minimizing disruption and allowing for faster use of cleaned areas.
- Includes 25-foot long safety power cord(s).

SPECIFICATIONS

Solution Pump: 100 PSI or 500 PSI

In-Line Heated Units: 1600 Watt, up to 150° F

Vac Motor: Dual 2-Stage or Dual 3-Stage

Vac Power: Up to 160" Water Lift for Dual 2-Stage & 200" Water Lift for Dual 3-Stage

Power Cord: (1) or (2) 25-Foot , 12/3-Gauge Safety Power Cords (Depending on Unit)

Wheels: 10" Transport Wheels

Dimensions: 27"L x 20" W x 38" H

FAST, EFFICIENT, DEEP CARPET EXTRACTING

APPLICATION

- Carpet
- Upholstery
- Mattresses
- Couches
- Sofas
- Curtains
- Vehicle Interiors
- Carpeted Stairs
- Rugs
- Outdoor Furniture

MODELS

Carpet Extractors dispense water, either hot or cold, into a carpet at various rates called PSI (Pounds per Square Inch). The higher the PSI, the more water output into carpet. The solution hose dispenses the water and the vacuum hose sucks the water out of the carpet.

Model	Pump	Vac Motors	In Line Heat	Cord	Shipping Weight
80-2100-LAVEX	100 PSI	Dual 2-Stage	No	1	110 lbs.
80-2100-H-LAVEX	100 PSI	Dual 2-Stage	Yes	2	112 lbs.
80-3500-LAVEX	500 PSI	Dual 3-Stage	No	2	131 lbs.
80-3500-H-LAVEX	500 PSI	Dual 3-Stage	Yes	2	133 lbs.
