Notes & Details

Provide convenience for your patrons with this Lavex automatic paper towel dispenser. This high-quality dispenser features a sleek titanium finish to complement most restroom interiors and fixtures. It is coated in premium paint to maintain an attractive, high-end appearance, and it features a durable plastic construction made with recycled materials. It accepts 8" wide paper towel rolls with a 2" core size and a 7 7/8" max diameter (sold separately). Its automatic sensor provides hygienic, hands-free operation. It operates quietly for non-disruptive use, and it dispenses a single sheet at a time to prevent overconsumption.

This dispenser features 3 adjustable settings including paper length, sensor sensitivity, and dispensing speed. It has a front viewing window and transparent sides to easily keep track of the paper supply and know when it's time to refill. Its specially designed paper loading mechanism opens for quick and easy loading. This unit includes a lock and key to prevent unauthorized access. It is easy to install with the included mounting hardware, and it operates using (4) D batteries (sold separately). Great for commercial restrooms and handwashing stations, this reliable dispenser is perfect for quick, convenient paper towel dispensing.
