## Notes & Details

Provide convenience for your patrons with this Lavex paper towel dispenser. This high-quality dispenser features a sleek titanium finish to complement most restroom interiors and fixtures. It is coated in premium paint to maintain an attractive, high-end appearance, and it features a durable plastic construction made with recycled materials. It accepts 8" wide paper towel rolls with a 2" core size and a 7 7/8" max diameter (sold separately). It is easy to install with the included mounting hardware.

This manual dispenser requires only a low pull force to dispense the next sheet, and it dispenses a single sheet at a time to prevent overconsumption. Plus, it includes a wheel to assist in those sporadic instances where paper advance may be necessary. It has a front viewing window and transparent sides to easily keep track of the paper supply and know when it's time to refill. It includes a lock and key to prevent unauthorized access. Great for commercial restrooms and handwashing stations, this reliable dispenser is perfect for quick, convenient paper towel dispensing.
