Notes & Details

This convenient Lavex toilet paper dispenser is a functional, attractive addition to any commercial restroom. This high-quality dispenser features a sleek titanium finish to complement most restroom interiors and fixtures. It is coated in premium paint to maintain an attractive, high-end appearance, and it features a durable plastic construction made with recycled materials. It accepts 2 jumbo toilet paper rolls at a time, helping to reduce the amount of refills needed. It fits rolls up to 9 1/4" in diameter and 3 1/2" wide with core sizes of 2 3/4" or larger (sold separately).

This dispenser has plastic teeth at the bottom to help effortlessly tear toilet paper. Its sliding mechanism ensures a complete roll is used before moving to the next. It has a front viewing window and transparent sides to easily keep track of the paper supply and know when it's time to refill. This dispenser is easy to install with the included mounting hardware. Plus, it includes a lock and key to prevent unauthorized access. Great for commercial restrooms, this reliable dispenser is perfect for quick, convenient toilet paper dispensing.
